Eastern Chapter Vendor Expo and Christmas Party

**Come join us for our Eastern Chapter Vendor Expo and Christmas Party.
It will be held at Johnston Community College on December 12, 2017,
inside the auditorium and lobby of the Tart Building.**

The address is 245 College Road, Smithfield, NC 27577.

Vendor setup starts at 3PM and the Vendor expo will be from 5PM-7PM. We will have dinner at 6PM and then we will meet in the auditorium at 7:15PM to award the "Tools for Techs" items, and award the "Tools for Techs" High School Student Scholarship.

Our inaugural event last year was awesome thanks to all the kind donors and sponsors we had. New for this year is the "Tools for Techs" High School Scholarship that the Eastern Chapter will be awarding. The Chapter plans to match your donation towards this scholarship up to \$1,000. If you would like to donate or contribute in any way to the "Tools for Techs" 2017 event, please contact us and a committee member will contact you to discuss your donation. With your support, this year's event will be even better than last year.

This event is all about the support of the next generation of technicians.

contact Johnny Green at: jygreen@johnstoncc.edu

Cutoff for guest seating is November 30th, 2017

RSVP by email to jygreen@johnstoncc.edu to reserve seating.
